

USF SASE SOUTHEAST REGIONAL CONFERENCE 2018

VISION:

Prepare Asian STEM students for success in the global business world through leadership and professional development.

ABOUT THE CONFERENCE:

This is the first year that the Society of Asian Scientists and Engineers (SASE) at the University of South Florida (USF) was selected to host the Southeast Regional Conference (SERC). The event will take place on **February 10th, 2018 in Tampa, FL**. Our theme is “Empowering you to Explore” which will aim to inspire students to keep an open mind, try new things, and to take risks.

PARTICIPANTS:

The projected number of attendees is 200-300 students. The expected student chapters attending aside from USF include:

- Georgia Tech
- Virginia Tech
- University of Florida
- University of Miami
- University of Alabama in Huntsville
- Old Dominion University
- North Carolina State University
- Vanderbilt

WORKSHOPS:

The list below are popular workshop topics that many attendees have enjoyed in the past. Your organization is welcome to come up with other topics you may find fitting.

- Cracking the Work-life Balance
- The STAR Method
- Self-awareness and finding your Collaborative Style
- Courageous Conversations
- Understanding your Peers
